Hina Yadav

DATA ANALYST | PYTHON • SQL • POWER BI • EXCEL

Junior Data Analyst transitioning from 8+ years of experience in EMEA sales coordination, commercial analysis and account management. Proficient in Python (Pandas), SQL, Power BI, Excel and Power Query for data cleaning, analysis and visualization. Experienced in performance analysis, KPI reporting and dashboard creation to support data-driven decision-making.

PROFESSIONAL EXPERIENCE

EMEA Sales Coordinator | 2022 – 2024

Marshall — Paris / Stockholm

- Analyzed monthly sales, margin and performance data using Qlik Sense.
- Created and monitored KPI reports to support commercial performance management.
- Optimized sales forecasts through trend and allocation-data analysis.
- Managed customer and distributor data in Navision and collaborated with international teams.

Client Consultant | 2015 – 2022

MERCI Concept Store — Paris

- Analyzed customer needs and behaviours to improve the shopping experience.
- Implemented CRM actions based on customer data and contributed to customer retention.

Communication & Marketing Assistant | 2014

Atelier Brunette — Paris

- Monitored marketing performance and social media engagement indicators.
- Contributed to increasing brand visibility across European markets.

EDUCATION

Business Intelligence Analyst — RNCP 6 | 2025 – 2026

OpenClassrooms

- Analyzing business needs to support decision-making.
- SQL queries for data extraction and analysis.
- Cleaning and transforming data with Python (Pandas).
- Creating interactive dashboards with Power BI and defining KPIs.

International Luxury Management & Marketing | 2012 – 2014

ISC Paris

- Training focused on management, international marketing, brand development and understanding luxury markets.

Bachelor's degree in French Language and Culture | 2006 – 2010

University of Delhi

- Mastery of the French language and study of culture, literature and intercultural exchange.

OTHER EXPERIENCE

Client Relations Manager | 2010 – 2012

HARVEST CONSULTANTS Ltd — Bangalore, India

- Managed client relations, marketing and digital communication.

French-English Translator | 2009 – 2010

TCS — Bangalore, India

- Translated French-English content in an IT environment.
